Dear Tony,

I wanted to take this opportunity to thank you and the other members of your team for all the hard work that they put into this year's Louisville Show. Your spirit of cooperation and willingness to diligently work on our seminar programming should be a positive example to everybody in the industry. Our "seminars" not only brought people to the show, but they kept people at the show! I heard nothing but positive comments about our seminars. I know the Midwest Board of Directors wants to once again thank you for all your efforts in helping us promote this year's show. Our increase in participation was a direct result of your efforts.

I look forward to a long standing relationship with you as our seminar leader. Next year we add to this year's successful show.

Best Personal Regards,

Dennis J. Hill
Show Coordinator
