

April 2015 Largest 50 Community Owners & Operators

MHI's National Communities Council is the leading national organization representing the interests of manufactured home community owners, operators, managers, developers, lenders and suppliers. The NCC serves its members by being an effective advocate before public policy makers, the media and the general public. The NCC strives to improve the business climate for its members by increasing professionalism and education within the industry. The NCC is also the industry's most reliable source of data used to create more opportunities for the successful development, operation and marketing of land-lease communities.
